BUILDING CARE - Sunday at 7:55 p.m. I found two sets of lights still on in the entry and the Commons, plus **the kitchen door was left open and unlocked.** Granted, it's hard to see that lights are on in broad daylight, but would the last person to leave **PLEASE** do a spot check on all lights and doors! Thank you for caring stewardship of our buildings. *Father Paul*

From Father Paul

NOTES FROM PREVIOUS YEARS:

1. A parishioner may receive a dispensation from one's pastor to legitimately miss a Mass of Obligation like Sunday or Holy Day. Just ask me.
2. Stipends received for Masses on Sundays or Holy Days are never kept by me, but "paid forward."

ADDENDA TO JANUARY 1 LETTER:

1. I receive the greatest joy in my priesthood in making most sacraments available to people.
2. Rock Hill, SC is about 20 miles south of Charlotte, NC.
3. With regard to my peoples' issues, problems, health, etc., I frequently note that I am "often the last to know." Not a complaint, just an observation.
4. On the average of about every six weeks, I have an appointment with one type or another healthcare professional.

FRIENDS OF SANTA - Thank you again for your generous support of our Friends of Santa effort. Thanks to your donations of time, money and prayers, we were able to help 11 families (50 individuals) with Christmas. Total donations were a little over \$5,000.00. God continues to bless this Church Family in many ways, and your generosity continues to allow us to pass it on. God Bless, The Community Outreach Committee
